Subj: CONTRACT N62472-04-G-8020 TO 0005; Expand Machine Shop Hangars 2 and 3

Gentlemen:

ROICC NJ wishes to commend you on your superb performance in completing this contract. Your personnel directing this project displayed a true spirit of partnering with the government and performed at a level that more than satisfied both this office as well as the client.

Your personnel's ability to overcome and resolve difficulties ranging from a constant changing work schedule dictated by the client's operations, unforeseen utilities, and difficult existing conditions is especially commendable and was truly appreciated by all parties. Their determination to keep this project moving, a project of great importance to our client, NAVAIR Machine Shop at Lakehurst, is recognized by this office and this office thanks you for your efforts.

The government is grateful for your effort, partnering, and commends you on a job well done.

If you have any comments or questions please feel free to contact me at (732) 323-5266 or via email at paul.veyant@navy.mil.
