To Whom It May Concern:

I am pleased to recommend Benaka, Inc. They were a General Contractor for the school district on a renovation project at James J. O'Neill High School. The company was always been dependable and thorough with all aspects of the job completing it in a timely manner. I am positive that you will not find a more reliable company.

If you have any questions or require any further information, please don't hesitate to contact me at 845-446-9575 ext. 225.

Yours truly,

*Ron Broas*
